

Valley Family Child Care Association

Notice of Lending Library Policy

The lending Library welcomes all licensed providers who are members in good standing of the association.

Our library offers many items for use. We have educational toys, games and theme boxes, high chairs, strollers and car seats.

Members using the library can check out 1-3 items at one given time, and need to return the item/s within the allotted time as indicated in the catalog.

There will be a sign in and out sheet and a column to note how many pieces were taken and how many returned. The pieces will be counted at drop off and pick up.

Renewal arrangements can be made by phone or in person with library staff extending items up to an additional 2 weeks.

Members returning a toy or other items with missing pieces or parts can not check out other library items until the missing pieces or parts are returned.

Those who have lost an item or are returning a broken or torn item will be expected to pay for the cost of the item or replace it with another item of equal value if we cannot get parts or replace the item two members of the board will approve a similar item.

You will be responsible to use the item for the age given and be careful not to allow children to have small parts.

You can get a list of items by visiting VFCCA's website or you can receive a catalog by calling or emailing Lendel Stanley at 925-828-9359 Email: Lendel@comcat.net or by coming to a meeting or stopping by her house.

You will also be expected to watch for recalls.

As staff and members, it is important for all of us to do our part in helping make the Lending Library a place of mutual trust and respect.

Thank you, The VFCCA Board

VFCCA extends our gratitude to the Center for Health Training as a reciprocate of the 2009 Family Child Care Association Grants Program Award.
